## EDUCATION

**University of California, San Diego Bachelor of Fine Arts** June 2008

**Major:** Media with Computing Emphasis **Minor:** Film Studies

## SKILLS

**Multimedia Applications** - Illustrator, Photoshop, InDesign, Flash, Director, Dreamweaver, Premiere & Final Cut Pro.

**Design** - Design and layout in both rasters & vectors, print design, apparel design, logos, character design & knowledge of industry trends & contemporary design. Additionally I have experience in film and digital photography, video, a variety of printmaking techniques and several studio art forms.

**Programming/Technical Knowledge** - Proficiency in Both Mac and PC platforms. Fluency in XHTML and CSS with additional experience with XML, Javascript, PHP, MySQL, JAVA and C++.

## EXPERIENCE

**Freelancing Independently as Chapolito** January 2007 - Present

**Warner Music Australia:** Logo and single cover art ideas for a newly signed band.

**Lifelong Magazine:** Full page illustration to accompany an article about competitive eating.

**People Like Us Collective:** T-shirt design for their limited edition (100) digitally printed series.

**Crooked Crooks:** Logo and 5 t-shirt designs for a start-up apparel company.

**UCSD - University Centers Marketing & Graphics Department** June 2006 - January 2007

**Graphic Designer:** Designed a range of print materials to promote to students at UCSD the concerts, films, and other entertainment happening around the campus. This included concert posters, flyers, various advertisements and a quarterly Pocket Events Guide - a 70 page handbill sized perfect-bound booklet.

**American Pig Brand Clothing - apbclothing.com** June 2006 - September 2006

**Graphic Design Internship:** Conceived and created unique apparel designs that incorporated the theme of excessive American habits. My designs were sold through their website and in their store.
